NEW WISDOM INVESTMENT LIMITED

Address: 4-306, xianglixincuen, Hongli West Road, Shenzhen, China Zip code: 518034

Factory Address : 4F NO.9 Zhangbei Road, Longgang Shenzhen, China Zip code: 518172

Telephone: +86-755-83911841 Fax: +86-755-28998861 Mailbox: info@wisdom.hk

The brightest, lightest, best choice

- Main Business:
- LED miner's cap lamps
 - LED multi-purpose lamps
 - Charging equipment for lamps

An integrated company with Brand promotion, R & D,
Production, Sales and Supply chain

Our brand **WISDOM** is registered over 110 countries
Our lamps have been marketed to more than 80 countries

WISDOM

- NEW WISDOM INVESTMENT LIMITED keeps focusing on the research, production and sales of the cap lamp.
- WISDOM has been registered in 110 countries, and sales to 80 countries worldwide.
- WISDOM is developing into the civil lighting market in 2014.

Part 1 Company introduction

Company introduction

The world's best cap lamp industry! Most creative Multi-purpose lamp!

- Mr.Ding Boping created **WISDOM** as a trade mark in 2002.
- WISDOM was established in Hongkong and the brand WISDOM was registered in 2002.
- We sold the first cap lamp in 2004.
- We developed and produced the first LED cap lamp with the brightness of 4000 lux in the world in 2006.
- We independently produced the complete series of charging racks for mining lamp in 2007.
- We released the first 8Ah capacity miner cap lamp with the brightness of 12000 lux in the world in 2008.
- We released the first 12Ah capacity miner cap lamp with the brightness of 20000 lux in the world in 2009.
- We released the first all-in-one miner cap lamp with the brightness of 8000 lux in the world in 2009.
- Acquired MSHA explosion-proof certification of the United States, as the only Asian company in 2009.
- Launched world's brightest all-in-one Cordless2 with the brightness of 12000 lux in 2010.
- Launched world's brightest all-in-one Lamp3 with the brightness of 20000 lux in 2012.
- Acquired the British royal UKAS ISO9000 quality certification in 2012.
- Acquired No.1 market coverage of Peru, Colombia in 2012.
- Acquired No.1 market coverage In 2014.
- Acquired China's MA explosion-proof safety certification in 2014.
- Awarded National High and New technology enterprise certificate in 2014.
- Launched the originally innovated multi-purpose Lamp4 in 2015.

Company Profile

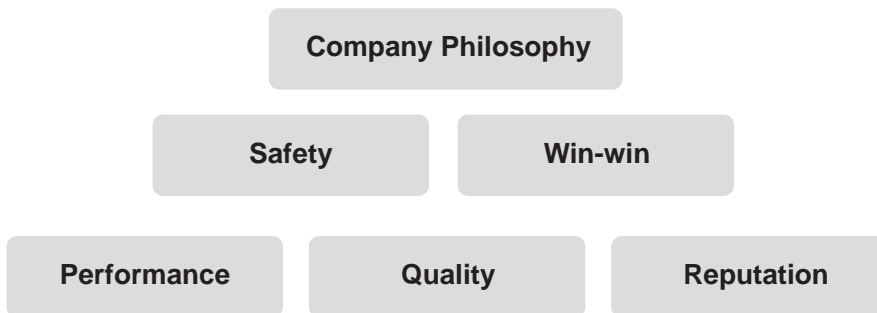

- **NEW WISDOM INVESTMENT LIMITED** is an integrated enterprise, which focuses on brand, R & D, sales, production and supply chain. We are specialized in producing LED miner's cap lamps and charging devices etc. All products are of unique design, high tech and excellent quality. Some of the performance indexes are in the leading position worldwide within the same industry.
- “ **WISDOM** ” as a brand trademark has been registered in around 110 countries. Our products have been selling to around 80 countries, we have obtained more than 50 patents several of them are intention patents.
- **New Wisdom** covers an area of 5,000m² with well-equipped R & D condition, bright and clean offices and complete production lines. We manufacture our products by high standard and strict quality control and we fully follow ISO quality management system standard.
- **We** have a professional IT development team, who apply the latest software and internet technology to proceeding an independent research and development on our own ERP. They study and analyze information collected from different departments in NewWisdom.

Part 2 Company philosophy

WISDOM's Vision:

Company Philosophy:

Quality

" WISDOM " uses the world top brands' raw material, such as Panasonic batteries. The 18650A we use is the same model battery with the American Tesla Motors; American Top grade CREE led light source is, customized and sealed specially for us; all plastic material is the top raw material imported from Germany Bayer.

Performance

" WISDOM " miner's cap lamp is the only diving cap lamp in the world, which can dive for 20m, we are the first one who apply the USB charging technology for the miner's cap lamp. WISDOM is the first company who extends miner's cap lamp into the civilian market.

Safety

" WISDOM " concern most about the safety of mining field. Through years' and achieved research, and development. We has improved in many aspects of brightness, color temperature, penetrating, extremely low failure rate. It greatly changes the experiment of the underground miners, and effectively reduce and prevent safety problems because of fatigue and invisibility, it lays the foundation for safe production, quality assurance, high efficient production.

Reputation

" WISDOM " regards reputation as the foundation of cooperation, and always put the customer's benefit in the first place. We always insist to other best products at a fair price, and warm and thoughtful service, price transparency, full support of after-sales service. To establish long term cooperation relationship with customers.

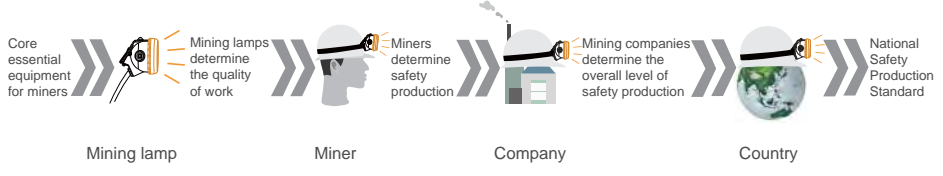

Win-win

" WISDOM " have well-equipped with various production and inspection facilities, which ranktop level in the same field, Which can make sure that we can transfer ideas to the real products quickly, and continuously improve the products based on the existing products. We have passed the most strict and most authoritative international quality certification system. With standard management and perfect service, WISDOM is your ideal partner.

Part 3 Solution

Solution Background

The position of mining lamp among mining equipment.

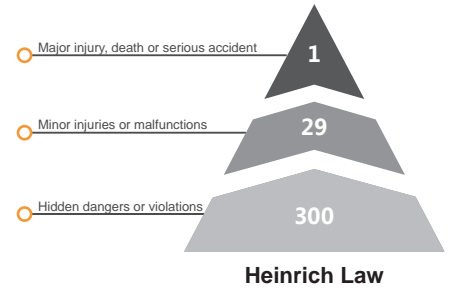

Current Situation - Data Analysis

Analysis of accident causes

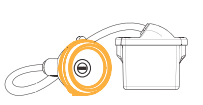

Heinrich Law

Conclusion from 550,000 mechanical accident:

- Insecurity is caused by **human** faults.
- **Human** faults are caused by adverse environment.
- 99% of the accident causes are **human** faults.

Current Situation - Conclusion

Mining lamp - the core equipment, to a large extent, determines the level of safety production

Level of Safety Production

WISDOM's Solution

Human-misconduct Analysis				WISDOM's Solution			
Inadequate illumination area	Inadequate underground illumination	Environment illumination	Larger beam	Brightest among the industry			
Inadequate light penetration				Stronger light penetration			
Bluish light leads to visual fatigue	Less consideration on equipment ergonomics	Physical strength	Fatigue	Physical strength	Low color temperature, pure white		
					Ergonomic design, small offset		
Heavier weight	Failure-prone	Big size	Equipment	Impact resistant, compression resistant	Small size	After-sale replacement	
Easy to damage	Non-watertight				Lightweight	Super waterproof	
Inferior equipment cause negative emotions easily		Other causes	Emotion	Other causes	High quality equipment creates good mood		

Country, mining companies and individuals improve together
Use WISDOM products can solve better

Values and Returns of Using WISDOM Miner's Cap Lamp

- The cost of miner's cap lamp rates only 1% - 1% among all the mining equipment.
- A study in the United States shows: Each additional \$1 safety input, will result in a minimum of \$100 value.

The Significance of Miner's Cap Lamp to Safety

Mining Lamp Safety 2.0: maintenance free LED lithium-ion battery, low quality, low price, low security.

WISDOM is leading miner's cap lamp industry into Mining Lamp Safety 3.0!

High performance! High quality! More secure!

part 4 Products

Product List

Our products can be widely used for:

- Power Bank
- Camping, Travelling, Cycling
- Tool, Maintenance Lighting
- Fishery, Diving, Fire-Fighting
- Military, Architecture, Living
- Furniture, Farm lighting
- Night fishing, Car-Carrying, Road and railway lighting
- Forest farm

All products have passed CE certification.

WISDOM LAMP 3

New generation cordless lamp

**Brightest, Lightest,
Most Beautiful**

WISDOM LAMP 3 is the brightest and lightest multi-function led lamp series,
128g and 175g for option, there are 2 models lighter than iPhone 5C.

part 5 All-in-one Miner's Cap Lamp

WISDOM LAMP 3

Features

- **Super Bright**
300 Lumen LED light source
Up to 16000Lux with advanced drive PCB
- **Two Charging Ways**
Traditional charging way with convenient charger
Portable charging way with USB
- **Super Waterproof**
With IP68 test report, which can dive 20m underwater
- **Patents**
More than 14 patents obtained, others are pending,
total more than 20 patents can be obtained
- **High Standard**
Meet U.S. FL1 standard

WISDOM LAMP 3 charging ways

New product is released

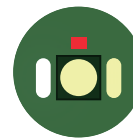

It can be charged by connecting any charging devices with USB charging port, very convenient and high efficient!

Magnetic USB wire

WISDOM LAMP 3 is chargeable with USB

30%

60%

90% and up

Fully charging state

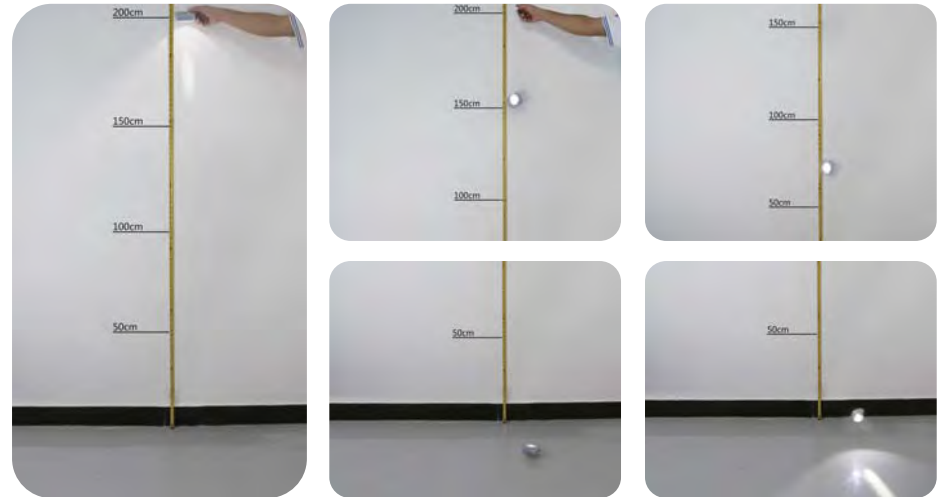

Diving to 20 meters

Much better than IP68 - the highest level for waterproof. Our lamps work normally for a long time at depth of 20 meters under the water. Pass through the 50 meters water pressure test. Super waterproof!

SUV full-size compression, rolled by car wheels several times without any damage

Strong and Durable

Passed MSHA strict test, no damage after dropping test for 20 times from 6ft height.

Parameter Table of All-in-one Miner's Cap Lamp

WISDOM LAMP 3 Product specifications				
<p>1st press, the auxiliary light on 2nd press, the main light on 3rd press, lights off</p>				
Type	WISDOM LAMP 3A	WISDOM LAMP 3B	WISDOM LAMP 3C	WISDOM LAMP 3D

Part 5 Multi-purpose Lamps

Features Of WISDOM LAMP 3/4

- High conversion efficiency as a power bank
- Output and input port sharing
Lamp 4 integrates power input and output, more convenient for users
- Automatic idle timeout protection
8 s without load after entering mobile power supply mode, the system automatically cuts off mobile power supply output voltage, makes it power off between two exposed power contact points and the product becomes more secure.
- Complete security protection functions
output overvoltage protection; battery overcharge and overdischarge protection; output over current protection; output short circuit protection; anti-discharge protection.

part 6 Product Advantages

Appearance Advantages

- WISDOM cap lamp weighs obviously less than other products in the same brightness grade; the lightest model weighs only 128g, lighter than most smartphones.
- Surface matte designed, holding in hand very comfortably.
- Ergonomic design: smooth, rounded corners, streamlined profile, gives people natural and comfortable visual experience!

Center Offset Advantage

- Center Offset: Distance between the center of gravity and the fulcrum, determines the user experience.
- WISDOM: <15mm Peer vendors: >25mm

WISDOM

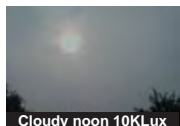

other brands

Performance Advantages

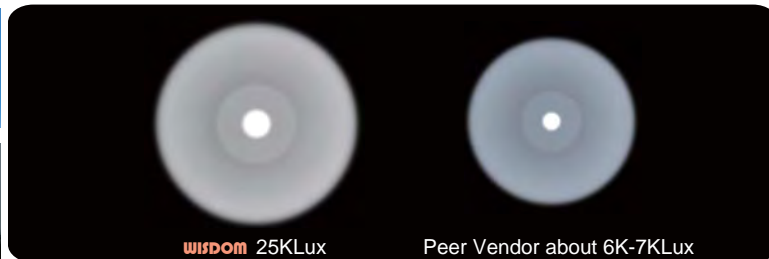

- Brightness Brightest in the industry, brightness reaches 25000Lux.

Midday sun 100KLux

Cloudy noon 10KLux

WISDOM 25KLux

Peer Vendor about 6K-7KLux

Color Temperature

Working under bluish light would be easy to get visual fatigue, while pure white light avoids that.

We Are True white!

WISDOM lamp color temp is 6100K

WISDOM sun white

other brands

Lighting Area

Within the common working distance of 3 to 5 meters, WISDOM's lighting area is wider than other brands.

DIST	WISDOM	Peer Vendor
1m	80	70-100
3m	250	175-300
5m	410	215-375
10m	975	415-890

Dia unit : mm

WISDOM

other brands

Penetration

The penetration of the white light with low color temperature is much stronger than that with high color temperature (bluish).

Normal condition

Dust and fume condition

low color temperature, strong penetration

WISDOM

high color temperature, poor penetration

other brands

part 7 Honors and Awards

NEW WISDOM has been awarded the title of "National High-Tech Enterprise" in 2014, which is one of the highest honor for the technology enterprises in China.

WISDOM is the first company in Asia to get MSHA approval in 2009, the approved model is KL5M, and many other models have been on the application process. MSHA is the most authoritative approval on explosion-proof and safe level, which is highly recognized by American and Latin American mining cap lamp markets.

WISDOM is also approved by MA. The products with MA approval can also get explosion-proof certificate issued by the national inspection agency and AnBiao national mining products, which is a strong proof of the explosion proof and safe performance. This means our lamps can be absolutely used for underground lighting.

Patents

part 8 Our customers

Customers with us

Our WISDOM miner's cap lamps and charging equipments have been sold to nearly 80 countries around the world and we are expanding our business by developing new markets in more countries.

Customers' Review

part 9 Protect customer rights

1.KIDEE MINING

- Did the quality of our products satisfy you in the past six months?Yes, our customers and us areSatisfied with the quality.
- How about the quality stability of our products?The quality is good, better than other suppliers.

2.JL K MINING

- I have received the sample. I am very happy with them. I do think my clients will be satisfied with them as well. Expect orders coming from me shortly. Thank you Lucky. It is a pleasure to do business with you.

3.PT Cibaliung Sumberdaya

- We are satisfied with your products. It is my pleasure to recommend your lamps to more customers here.

4.PETI TRADING INC

- Wisdom cap lamp is one of the fast moving products of PETI Trading, Inc., and so far we have received good feedbacks from customers.

5.S-Ks TOOLS CORPORATION

- It is always nice to work with a professional supplier like you.
- Expect orders coming in from me very shortly. Thank you Lucky, it is a pleasure doing business with you.

6.Rock Energy International Corporation

- You are making very good cap lamps now. They last for more than two years.

7.UK uni-lite international Limited

- your product is excellent top-quality.

8.V&L INVERSIONES E.I.R.L.

- Estaremos orando desde aqui de Peru, para que todos nuestros hermanos de China se encuentren bien.
- El placer es de nosotros de encontrar a unos proveedores como ustedes que fabrican productos de calidad.
- Un abrazo

9.Peti Trading

- Glad to know that Wisdom is well known all over the world and it's our pleasure to work with a company like Wisdom.

10.Pimpinan Proyek

- This new product is very sophisticated and I believed it would makes my customer to have it as their new equipment.

11.Vatukoula Gold Mines Limited

- The price is very good considering the performance of the lights.

12.P & J Mining Consultants Pty Ltd:

- Lights look very good I am impressed with the packaging and the accessories that come with the lights. We have already made some sales and am waiting to get some feed back from customers. All is good and I am very happy with the supply and the product.

13.Neotrans Grupp Oü

- I am very satisfied with stability the quality, design, packing, protection, it really meets our requirement, the service is more than our expected.

14.Vatukoula Gold Mines Limited

- The price is very good considering the performance of the lights.

15.Redpath Indonesia

- The price is ok, quality for the battery is ok also. People here know about wisdom brand as we use that a lot in 2007.

16.INBUSTRADE

- Our technical personnel are very impressive for the quality of your lamps.

17.Blue Range Engineering Co., Inc.

- For the past eight years I have been using Wisdom mine lights and found them to be superior in both lighting and durability to anything else on the market.
- The school provides them with Kohler cordless lamps but the students are far more impressed with my Wisdom cordless. Most would like to buy one.

18.Esso Technologies sac.

- Thank you for the samples which we received yesterday. Excellent packaging and presentation! We are preparing a marketing campaign here to promote this item.

19.TECHNOLOGY AND SERVICES

- I am interested in going to be your dealer here in mexico, but at this moment i can't make a big purchase, you know i am beginning with the bussines, a long time ago i was working for NORTHERN LIGHT in canada and i learn to ensamble and disarm all the lamps, i know how fix it, check circuit, replace spare part damages and keep the lamps working. Now i want to try with your Brand because i know is a big quality item, and my customer like it.

20.SAFETY SERVICE CARLOS D. VIAL

- Thanks for your honest words , we really appreciate very much. Since we are looking for long term business relationship, i agree with your words pretty much . Let's do some business first and then we can talk about this agreement.

21.Wye Valley Associates Ltd

- Your new marketing literature is also excellent with very good photographs, and we are very pleased to see the progress your company is making both in terms of the products you make and the literature to promote them. We are very proud to be working with New Wisdom Investment to promote your products here in the UK and thank you for your continuing support.

22.AUS Bridgman Enterprises

- We have completed all testing on the lamps and are very happy with the samples.

23.Rolzur Tunneling

- I can tell you that we are very impressed with the brightness of the lamps.

24.USA Nome Gold Alaska Corp.

- I have used mining lights for 30 years and your lights are THE BEST IN THE INDUSTRY for several reasons.

25.Mine Lite

- Hi Lucky yes we have received them and all looks good thanks will need to order some more shortly thanks again

26.Spoils Enterprises Limited

- The quality and performance is above the rest.

Current situation

It is a common view that counterfeit products are evildoing which could be a great hazard to consumer rights. As the world's best miner lamp manufacture, WISDOM found many Chinese factories counterfeit under WISDOM brand. Not only it brings very bad efectcon our brand, butalso it put world's mining companies into great darger.

Our attitude

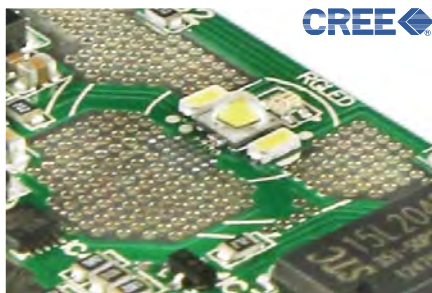

As industry's leading brand, WISDOM have great responsibility to fight against brand violation. We will try our best to protect our customers' rights, eliminate safety threat to the world. Once discovered, we will suit each single case without tolerance. By working with government and cusfom, we will fight against production and selling of counterfeits effectively.

Ongoing progress

We have built up a professional lawyer team to fight against crimes of manufacturing or selling fake commodities all over the world. We also work together with our customers to protect our common benefits. If you have encounter with this kind of situations, you are welcome to contact our lawyer teams at any time.
